Re: DW9695389001-1

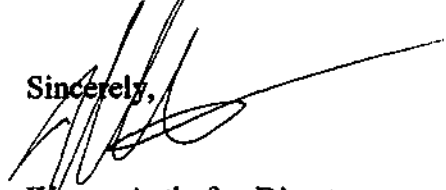

Dear Ms. Seaman:

According to EPA records, the project referenced above has been satisfactorily completed and EPA is proceeding with closeout of this Interagency Agreement. The balance remaining in the IAG is \$318.99 and will be deobligated. If your records do not agree with EPA's, please contact the EPA Cincinnati Financial Management Center (CFMC) at (513) 487-2056 to clarify the discrepancy. If CFMC does not hear from you within 15 calendar days after receipt of this letter, final closeout of this project will proceed.

All records must be preserved for ten (10) years from date of submission and approval of the final payment. If any litigation, claim or audits are started before the expiration of the ten-year period, the records must be kept until these actions are completed and all issues resolved.

EPA is pleased to have participated with you in this project. If you have any administrative questions or comments, please contact Cheryl Pressley at (303) 312-6507.

Sincerely,

  
Wayne Anthofer, Director  
Grants, Audit and Procurement  
Program Office
